Subject: Modification No. 9 to Contract No. NRC-10-79-387

Dear Ms. Mendelson:

The copies of the subject modification which you signed have been fully executed on behalf of the U. S. Nuclear Regulatory Commission and one fully executed copy is hereby returned to you.

My letter of February 18, 1983 requested you to submit the reports required by the clauses of the contract General Provisions related to Notice and Assistance Regarding Patent and Copyright Infringement, Clause No. 13, and Reporting Royalties, Clause No. 38. To date we have not received these reports which are required before we can officially close out this contract. If negative reports are appropriate, a written statement to that effect is required.

If you have need for any further assistance, please contact Teresa McLearen at 492-7533.

Sincerely,

Timothy F. Hagan, Contracting Officer

PROPERTY CERTIFICATION

CONTRACTOR Binder, Elster, Mendelson & Wheeler, Inc. CONTRACT NO. NRC-10-79-387

Please complete Item I or II as applicable:

- I. There was no residual Government-owned property of any description remaining at the completion of this contract. Therefore, this constitutes a negative reply to your request for a final inventory of residual Government-owned property on the subject contract.

SIGNATURE _____

TITLE _____ DATE _____

- II. A final inventory of residual GOVERNMENT-OWNED PROPERTY ONLY, is enclosed for the category (or categories) checked below:

- ☐ Equipment
☐ Materials and Supplies

Except for the category (or categories) checked above, no other residual Government-owned property of any description remains on this contract, at its completion.

SIGNATURE _____

TITLE _____ DATE _____

All Government-owned property (whether acquired with contract funds or Government furnished) must be disposed of at the completion of this contract. Since this agreement is in the process of being closed-out, please furnish us an inventory of such residual Government-owned property in your possession relating to this contract. Items of equipment acquired with contract funds, title to which is vested in the Contractor, should not be included.

The inventory should be in two parts:

- (a) Capital Equipment - Items having a value of \$300 (for Industrial Contractors) or \$200 (for University Contractors) and having a life expectancy of one year or more.
- (b) Non-capital Equipment - Minor equipment, materials and supplies, residuals from production, scrap, and other special materials (such as platinum), etc.
