Re: NRC License No. 25-17317-01
Prairie Investors, dba Prairie Wireline Service

Gentlemen:

Please amend Condition 10 of the above captioned by-product material license to delete our facility at 2317 4th Avenue South, Billings, Montana, and replace it with 1175-A Maggie Lane, Billings, Montana. The attached sketch of the facility will be used as our facility/bunker survey. Also attached is a survey of the vacated premises.

Since we have already relocated to the new facility, we are considering it a field site location, and will keep the source(s) on the logging vehicle(s) at this location pending receipt of the amendment authorizing use of the facility for storage.

Enclosed is our check in the amount of \$170.00 to cover the fee for this amendment (Well Logging - Category 5). Your prompt attention to this request will be greatly appreciated.

Sincerely,

Martin O'Neil, President
