MEMORANDUM FOR: Peter J. Goldman, Director
Management Development & Training Staff
Office of Administration

FROM: Ruth J. Anderson, Manager
Federal Women's Program

SUBJECT: INDIVIDUAL CAREER COUNSELLING FOR THE REGIONAL
OFFICES

Mary Ann Campbell, FWP Manager for Region I, raises an important question in her attached memorandum to me; namely, how can the regions procure individual career counselling for their employees?

Can we work something out on a revolving basis for the regions?

A handwritten signature in cursive script, reading "Ruth J. Anderson", is positioned above the typed name and title.
