Region IV
611 Ryan Plaza Drive, Suite 1000
Arlington, Texas 76011

Dear Sir:

With reference to my NRC license No. 35-19490-01 (expiration date 09/1985), I request that you put my license in inactive status or terminate. My imaging equipment is being leased to Chet Bynum, M.D. and Glenna Young, M.D. I do not have any radionuclides in my possession. The following radionuclide standards used for dose calibrator accuracy have also been transferred to Drs. Bynum and Young, NRC license No. 35-23160-01:

1. Cs-137; Amersham Model CDC VI
250 micro Ci 7/21/1980
2. Ba-133; Amersham Model BDC VI
250 micro Ci 7/5/1980
3. Co-57; Amersham Model Mode CTC VI
3 milli Ci 7/5/1980.

The premises were surveyed on April 15, 1985 to establish that there was no contamination on the premises.

Sincerely yours,

Devalbi Ganesan, M.D.
