Dear Ms. Mendelson:

I am attaching a list of 8(a) firms that have been provided to us by our Office of Small and Disadvantaged Business Utilization. In your developing candidates for each of the regions, will you please contact the listed firms to determine interest in providing regional counseling for NRC employees. If they are interested, would you please include them in your overall evaluation of prospective counseling firms.

If you have any questions, please feel free to give me a call.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. Allen", written over a horizontal line.
