Re: FY 97 Annual Materials Fee Invoices  
Dated 10/19/96

Dear Ms. Kimberly:

This will confirm our telephone conversation of November 14. I understand you concur with my letter of November 8 in that the referenced invoices should not be subject to device registration fees at this time. We understand they will be invoiced in February and June of 1997 as they come due.

Thank you for your prompt consideration in this matter.

Very truly yours,
