Dear Ms. Mendelson:

Subject: Contract No. NRC-10-82-358, Modification No. <sup>Eight</sup> ~~Five~~ (5);  
Method of Payment

By letter dated August 25, 1983 (copy enclosed) NRC provided notification of its intent to revise the method of payment under its contracts to accommodate payments by wire transfer through the Treasury Financial Communications System (TFCS) and requested that each contractor complete and return the form supplied, entitled "Payment Information Form; Treasury Financial Communications System." As some responses received to date have been inaccurate and/or incomplete, we are again requesting all our contractors to complete and return the enclosed form whether or not a response was previously submitted to NRC. To assure the accuracy of the information and preclude any delays in processing your vouchers for payment, the form must be typed and the appropriate financial institution must verify the information being submitted by signing in the appropriate space on the form. All NRC contractors must respond to this request by furnishing the required form to NRC by January 12, 1984. Please be advised that failure to submit the required form or provide complete and accurate data by the above date may result in subsequent vouchers for payment being suspended pending receipt of the required information.

Also enclosed for your files is one (1) fully executed copy of the subject contract modification which incorporates provisions for contract payments by wire transfer through TFCS.

If you have any questions or require further assistance, please contact Mrs. Joyce Perlman, Contract Administrator at (301) 492-4519.

Sincerely,

ORIGINAL SIGNED BY
