Gentlemen:

Subject: Inspection No. 30-20994/85-01

This refers to your letter dated August 12, 1985, in response to our letter dated July 22, 1985.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

With regard to your request for an amendment to your license, NRC policy does not permit the training of physicians by private practice licensees. Training must be received at a recognized institution or hospital. Therefore, only approved physicians may use licensed material under a private practical license.

Your cooperation with us is appreciated.

Sincerely,
