RE: Medical By-product Material for Human Use
License: Addition of Authorized User
Community Hospitals of Williams County, Inc.:
Bryan Community Hospital, Inc.
License No. (34-15653-02)
Expiration Date: July 31, 2000
Reference Number: 030-13938

Dear Sirs:

On behalf of Community Hospitals of Williams County, Inc. I would like to inform you that John P. Ewonus, D.O. as been approved as an authorized user by our Hospital Radiation Safety Committee pursuant to our by-product radioactive Material License No. 34-15653-02 and 10 CFR 35.22(II). Dr. Ewonus was approved for categories 35.100 (Uptake, Dilution, and Excretion studies) and 35.200 (Imaging and Localization studies).

Dr. Ewonus is certified by the American Osteopathic Board of Radiology in Diagnostic Radiology. Please find a copy of Dr. Ewonus' AOBR certification appended to this document.

Dr. Ewonus is currently named as an authorized user on another NRC license, license number 34-15654-01. Please find a copy of this license appended to this document.

Our Radiation Safety Committee has also recommended that the following authorized users be deleted from our license since they no longer provide coverage: John A. Mitchell, M.D. and Nilo V. Gomez, M.D.

Any questions or correspondence regarding this request for license amendment should be directed to my office.

Sincerely,

Rusty O. Brunicardi

Rusty O. Brunicardi
President/CEO
