

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

JAN 07 1981

MEMORANDUM FOR: File

FROM: Marie Page , Contract Administrator

SUBJECT: PROPOSED MODIFICATION NO. SEVEN TO CONTRACT NO.
NRC-10-79-387 BIDDER ELSTER, MENDELSON AND WHEELER,
INC.

Modification No. 6 to the subject contract added a requirement for the establishment of a career counseling program in each of NRC's five regional offices, for a total cost of \$8677.67. No provision was included for partial payment to the contractor. The proposed Modification No. 7 provides a means of reimbursement to the contractor upon satisfactory completion of three specific tasks and submission of a status report to the Project Officer. Additionally, since parties recognize the existence of potential completion delays, the contract performance period will be extended to January 31, 1982.
