OFFICE OF THE
COMMISSIONER

Mr. John D. Leonard, Jr.
Vice President, Nuclear Operations
Long Island Lighting Company
Shoreham Nuclear Power Station
P. O. Box 618
North County Road
Wading River, New York 11792

Dear Mr. Leonard:

I appreciated the time you and your staff took out of your busy schedules to help make my recent visit to Shoreham a success. I consider it very important to see an applicant's facility first hand and be able to meet the plant management. Even under the necessary limitations of the rules of "ex-parte," I found the visit to be of great value.

Please express my thanks to your staff.

Sincerely,

Frederick M. Bernthal
