Ms. Greengrove called me in connection with an interaction I had with one of her summer interns, Dick Meade. I sent Meade copies of correspondences I've had w/ Chem-Nuclear about an Edgemont, SD LLW site. Meade sent them to a lady in SD. This lady now would like to set up an "Environmental Task Force" in SD.

The lady in SD said she knew of two published reports on LLW authored by ENVIRONMENTAL Forces, one in Minnesota and one in Maine. Do you know of these? I told Wendy I would have you give her a call, 'cause even if you knew nothing of these reports, you could give her phone #'s of people in MN and ME who could help her. THANKS
