Subject: Letter to Epikon

Trip,

As discussed this a.m., attached is the letter to Epikon. We recognize it is lengthy, but it was difficult to be sure they got all of the information they needed. Jim Turdici has seen it in draft. If you can concur in the letter, would you please let Diane know this afternoon if possible (e-mail DBD or phone 415-7544) as it is set up for Mr. Taylor's signature.. Please also let Diane know if you have problems with the letter. I will not be in this afternoon nor tomorrow. Thanks, and Happy New Year!!!!

Glenda
