Gentlemen:

Subject: Inspection No. 030-19971/85-01

This refers to the routine safety inspection conducted by T. Thompson of this office on August 8, 1985 of activities authorized by NRC License No. 18-20602-01 and to the discussions of our findings held by Mr. Thompson with yourself at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

From the discussions during the inspection, we understand you are ceasing activities under this license and will submit a request to this office requesting termination of your license.

Within the scope of this inspection, no violations were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:
