Dear Mr. Jensen:

RE: Permit modification, Claiborne Enrichment Center,
Louisiana Energy Services, L.P. (LES), Homer, Claiborne
Parish, Louisiana

This is to inform you that the permit modification for the above referenced facility has been approved under LAC 33:III.501. The submittal was approved on the basis of the emissions reported and the approval in no way guarantees the design scheme presented will be capable of controlling the emissions as to the types and quantities stated. A new application must be submitted if the reported emissions are exceeded after operations begin. The synopsis, data sheets and conditions are attached herewith.

Operation of this facility under this permit is contingent upon issuance of a license by the U. S. Nuclear Regulatory Commission.

It will be considered a violation of the permit if all proposed control measures and/or equipment are not installed and properly operated and maintained as specified in the application.

The permit number cited below should be referenced in future correspondence regarding this facility.

Done this 19th day of December, 1996.

Permit No.: 0620-00057-01

Very truly yours,

Gustave Von Bodungen
