Docket No. 50-271

Vermont Yankee Nuclear Power Corporation  
ATTN: Mr. Warren P. Murphy  
Vice President and Manager  
of Operations  
RD 5, Box 169  
Ferry Road  
Brattleboro, Vermont 05301

Gentlemen:

Subject: Inspection Report No. 50-271/85-26

This refers to the special team inspection conducted by Dr. P. K. Eapen and others of this office on September 3-6, 1985, at your office, the Vermont Yankee Nuclear Power Station, Vernon, Vermont and Yankee Atomic Electric Company offices, Framingham, Massachusetts, of activities authorized by NRC License No. DPR-28 and to the discussions of our findings held by Dr. Eapen with you and other members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the NRC Region I Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Our inspectors also reviewed the status of the steps you have taken to correct the violations brought to your attention in the enclosure to our letter dated April 25, 1985. We have no further questions regarding your actions up to this time as detailed in the inspection report and will examine further actions during a future inspection of your licensed facility.

In addition our inspectors examined the status of those activities covered in your letters to us dated May 31, 1985 and August 20, 1985. We have no further questions regarding this matter and will re-examine your completed actions during a future inspection.

Within the scope of this inspection, no violations were observed.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:  
Stewart D. Ebnetter
