FREEDOM OF INFORMATION ACT REQUEST

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, as amended, the Environmental Task Force requests information regarding Mr. James Neel and/or Mr. David Gravely in their association with PyroChem, Inc., Nuclear Engineering, Inc., and U.S. Ecology, Inc. relating to the Maxey Flats Nuclear Disposal, Hillsboro, KY and the Sheffield, IL disposal site.

I am specifically interested in a record of permit applications, test data submissions and any notices of operating violation, inspection reports, and any enforcement action.

I hereby request that you waive search and duplication charges, pursuant to 5 U.S.C. 552(a)(4)(A) "because furnishing the information can be considered as primarily benefitting the general public." The Environmental Task Force is a non-profit organization whose primary objective is to serve America's grassroots environmental groups. Information sought pursuant to this request will be used to address citizens' concerns about the environmental impacts of the Westway project.

As you know, the Freedom of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions to the Freedom of Information Act. I reserve the right to appeal your decision to withhold any materials.

If you have any questions regarding this request, please contact me at 822-6800. Thank you for your assistance, and I will look forward to receiving your reply within ten business days, as provided by law.

Sincerely,

James F. Pierce
