IN RESPONSE REFER  
TO FOIA-85-641

Dear Mr. O'Mealia:

This is in response to your letter dated September 18, 1985, in which you requested, pursuant to the Freedom of Information Act, records containing the pass/fail statistics for licensing and requalification examinations given to reactor operators and senior reactor operators at nuclear power plants subsequent to the issuance of SECY-84-81C.

The staff informed me that the requirement to report the licensing and requalification examination results to the Commission has been changed from a quarterly basis to an annual basis. The next examination results report will be sent to the Commission on December 15, 1985. Therefore, the staff has no records that are subject to your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".
