Dear Doug:

Enclosed are the following materials which represent the first increment of our response to Intervenor's First Set of Quality Assurance Interrogatories Request to Produce:

1. Answers to specific interrogatories 9, 12, 13, 18, 25, 29, 39, 47 and 48 and copies of documents which are referenced in those answers.
2. Documents which contain information responsive to specific interrogatory 11.

The response to the specific interrogatories is not executed. It is my expectation that we will supply you with an executed copy of the response tomorrow. I do not believe there will be any significant changes. I will identify for you any changes which are made.

Yours truly,

Mike
