Re: Report No. 50-21082-01/85-01

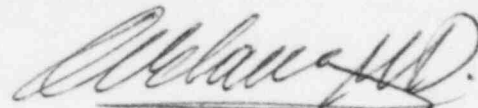

Dear Sir:

This is in reply to your letter dated May 28, 1985 in which you informed me of the violations I committed.

I admit that they were committed and that we have taken the steps to correct them. Licensed material is already stored in a keyed cabinet and a notice describing documents have been posted.

These corrective steps were ready on June 25, 1985.

Cordially yours,

Guillermo Velásquez-Vélez, M. D.
