Gentlemen:

SUBJECT: REPORT NO. 52-11810-02/85-01

Thank you for your additional response of May 29, 1985, to our Notice of Violation issued on March 5, 1985, concerning activities conducted at your facility under NRC License No. 52-11810-02. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. We are withdrawing Violation three because you now apparently have on hand satisfactory quarterly personnel exposure data. Our records will be corrected accordingly. To avoid this situation in the future, please be advised to maintain your required records more readily available. We will examine the implementation of your corrective actions for all violations during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

J. Philip Stohr, Director
Division of Radiation Safety
and Safeguards
