FREEDOM OF INFORMATION  
ACT REQUEST  
**FOIA-85-85**  
**Rec'd 2-6-85**

Dear Sir:

This is a request under the Freedom of Information Act, as amended.

I would like to obtain a copy of all correspondence between NRC and the American Nuclear Society (ANS) related to the 1984 ANS Report of the Special Committee on Source Terms. That report was funded in part by NRC under Grant No. NRC-G-4-81.

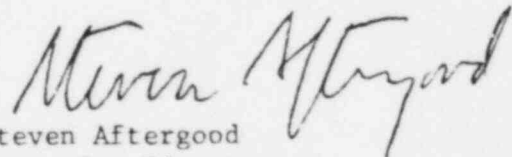

The material I am requesting includes the ANS proposal, the grant agreement, all requests for modification or extension, and all other such correspondence. I am not requesting a copy of the report itself.

The Committee to Bridge the Gap is a non-profit public interest research organization. This material is requested for purposes of an ongoing review by CBG of the work on the source term reassessment, performed in the public interest and without profit. We therefore request a waiver on production costs.

Until February 28, 1985, I will be in Washington, D.C. Please respond to Steven Aftergood, c/o Nuclear Information and Resource Service, 1346 Connecticut Ave NW, 4th floor, Washington, D.C. 20036 (202)296-7552. After February 28, 1985, please respond to the address printed above.

Thank you.

Sincerely,

Steven Aftergood  
Executive Director
