U.S. NRC

FOIA-85-294
rec'd 4/23/85

Dear Mr. Felton:

Pursuant to the Freedom of Information Act I am requesting that you make available all information you may have regarding disclosures made by International Energy Associates Ltd. for 1984 and 1985 on potential conflicts it might have in accepting NRC contracts or continuing work on those contracts. I am also requesting any NRC responses that may have been made regarding such disclosures.

As a separate request, I am asking for a list of all meetings IEAL might have had with NRC personnel, including commissioners, regarding contract work it was pursuing for the during the 1984-85 timeframe. I would like to know the dates of those meetings, who attended, and the subject matter of the meetings.

Because McGraw-Hill is a credentialed member of the press I am asking that fees related to this request be waived.

Thank you.

Sincerely,

Christine Hudgins
