Re: Freedom of Information Act Request

Dear Mr. Kammerer:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552) and the U.S. Nuclear Regulatory Commission's (NRC) regulations (10 C.F.R. Part 9, Subpart A), I request a copy of Wolf Creek Generating Station's Licensee Event Report (LER) 50-482-93-006 with all revisions and supplements. This LER is referenced on page five of the attached Inspection Report (NRC Inspection Report 50-482/93-31). LER 93-006 could not be located through a database search of the NRC Public Document Room's Bibliographic Retrieval System.

I would appreciate your prompt response within ten (10) working days of the receipt of this request, as provided by 10 C.F.R. Part 9 and the NRC's policies. If you require additional information, please let me know. I can be reached at (202) 634-1439.

Sincerely,

Michael K. O'Mealia
