Mr. Joseph Felton, Director
Division of Rules and Records
Nuclear Regulatory Commission
Washington, D.C. 20555

FREEDOM OF INFORMATION ACT REQUEST

FOIA-85-185

rec'd 3/20/85

Dear Mr. Felton:

This request is made under the Federal Freedom of Information Act, 5 U.S.C. 552.

Please send me copies of all correspondence, memoranda, reports, studies and other documents regarding the Nuclear Regulatory Commission's closed meetings held on Grand Gulf 1 on July 31, 1984. Grand Gulf 1, located near Port Gibson, Miss., is owned by Middle South Energy Inc. and operated by Mississippi Power & Light Co.

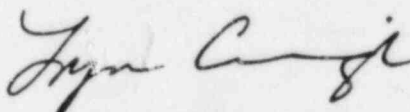

The Freedom of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions from the Freedom of Information Act.

I promise to pay reasonable search and duplication fees in connection with this request. However, I am a journalist employed by The Times-Picayune/The States-Item and intend to use the information as the basis for newspaper articles. Therefore, I ask that you waive all search and duplication fees.

As I am making this request in the capacity of a journalist, and this information is of timely value, I would appreciate that any questions regarding my request be posed by telephone -- not by mail.

Thank you for your assistance, and I look forward to receiving a reply within 10 days, as required by law.

Sincerely,

Lynn Cunningham
