

Docket No. 50-312

JUL 23 1985

Sacramento Municipal Utility District  
P. O. Box 15830  
Sacramento, California 95813

Attention: Mr. Ronald J. Rodriguez  
Executive Director for Nuclear Operations

Gentlemen:

Subject: NRC Inspection of Rancho Seco

This refers to the safety inspection conducted by Mr. K. Ivey of this office, assisted by contractors Mr. P. Chan and Mr. R. White, on June 24-28, 1985, of activities authorized by NRC License No. DPR-54, and to the discussion of our findings held by the inspectors with members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspectors.

No violations with NRC requirements were identified within the scope of this inspection.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room.

Should you have any questions concerning this inspection, we will be glad to discuss them with you.

Sincerely,

Original signed by  
D. E. Kirsch
