SUBJECT: INSPECTION NO. 030-03868/96-001

Dear Dr. Willard:

On December 12 and 13, 1996, Keith Brown of this office conducted a safety inspection at the above address of activities authorized by the NRC license listed below. The inspection was an examination of your licensed activities as they relate to radiation safety and to compliance with the Commission's regulations and the license conditions. The inspection consisted of observations by the inspector, interviews with personnel, and a selective examination of representative records. The findings of the inspection were discussed with you on December 16, 1996.

Within the scope of this inspection, no violations were identified.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. No reply to this letter is required.

Your cooperation with us is appreciated.

Sincerely,
