MEMORANDUM FOR: Joseph H. Felton, Director
Division of Rules and Records
Office of Administration

FROM: Robert F. Burnett, Director
Division of Safeguards, NISS

SUBJECT: IMPLEMENTATION OF EDO ACTION

On August 6, 1985 the Executive Director for Operations (EDO) approved a Federal Register Notice publishing a proposed regulation to simplify and clarify 10 CFR 73.71, Reporting Requirements for Safeguards Events.

Please implement the EDO's action by having the enclosed proposed regulation published in the Federal Register allowing 90 days for comment.

Also enclosed for your action are a revised regulatory guide and a regulatory analysis for placement in the NRC Public Document Room, a public announcement for transmittal by the Division of Rules and Records (DRR) to the Office of Public Affairs, and letters to the appropriate Congressional committees also for transmittal by DRR to the Office of Congressional Affairs.

Please note that an item for the Weekly Information Report has been submitted to the EDO on this action. Thank you for your assistance.
