

AB46-1

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

OCT 12 1984

MEMORANDUM FOR: Robert B. Minogue, Director
Office of Nuclear Regulatory Research

FROM: Frank P. Gillespie, Chairman
RES Independent Review Board

SUBJECT: MINUTES OF RIRB DELIBERATIONS FOR ONGOING
RULEMAKING SPONSORED BY NMSS

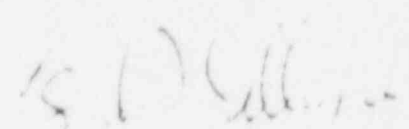

The rulemaking review package received June 1, 1984 (Mail Control RES-841230C), states:

"...the Office of Nuclear Material Safety and Safeguards has reviewed the the ongoing rulemaking activities listed below. On the basis of our review, we recommend the approval of continued activity on these rules."

Enclosed is the draft independent review package as prepared by responsible RES staff and considered by the RES Independent Review Board.

Also enclosed are the voting sheets of the RIRB members that reflect their deliberations.

The draft recommendation is that the NRC should proceed with this specific ongoing rulemaking.

Frank P. Gillespie, Chairman
RES Independent Review Board

Enclosure:

1. Draft independent review package for "Reporting Requirements for Safeguards Event"
2. Voting Sheets of RIRB Members
