Informal Dr. Wagner, m.o. that I  
was visiting his application but  
wanted to verify that the new address  
affected the place of use. He indicated  
that he also went the business recorded  
to affect the new address as the  
place of use but stated that he  
did not think the letters were even  
brought to his attention by his office  
staff. He requested I not send  
the application and that I send  
him copies of the letter.
