Re: Amendment to NRC License #12-24420-01

Gentlemen:

We request amendment to Condition 10 of our above referenced license to add usage of our I-125 bone density scanner at the following temporary usage sites:

1. Neomedica Dialysis Center  
Stone Medical Building  
2800 Sheridan, Suite 100  
Chicago, Illinois 60657
2. Neomedica Dialysis Center  
4701 N. Cumberland  
Norridge, Illinois 60648
3. Neomedica Dialysis Center  
56 East Superior  
Chicago, Illinois 60611
4. Neomedica Health Care  
1540 Hicks Road  
Rolling Meadows, Illinois
5. Neomedica Dialysis Center  
4800 N. Kilpatrick  
Chicago, Illinois 60630
6. Neomedica Dialysis Center  
3500 South Emerald  
Chicago, Illinois 60609
7. Neomedica Dialysis Center  
9212 South Chicago Avenue  
Chicago, Illinois 60630

RECEIVED  
APR 29 1985  
REGION III

APR 29 1985

We have enclosed facility sketches and descriptions of each of the above locations, as well as letters of authorization from the building owners in those cases where Neomedica does not own the buildings.

CONTROL NO. 78836

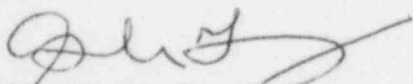

We submitted a license amendment request, dated March 15, 1985 to the NRC for adding several physician users and staff who have completed their required training. The transport and usage of the bone scanner will always be under the supervision of these licensed physicians.

Our principal office usage site at 450 East Ohio Street will remain the site for receiving and exchanging I-125 sealed sources, and will be the headquarters for distribution and location of the bone scanner at any of the temporary usage sites.

It is our understanding that 10 CFR 71.9 provides for a specific exemption of physicians from 10 CFR 71.5 regarding transportation of licensed material.

Attached is our \$120 check for the license processing fee. We appreciate your assistance in expediting this amendment so we may offer this needed diagnostic service on a more accessible basis to a broader segment of the local population.

Sincerely,

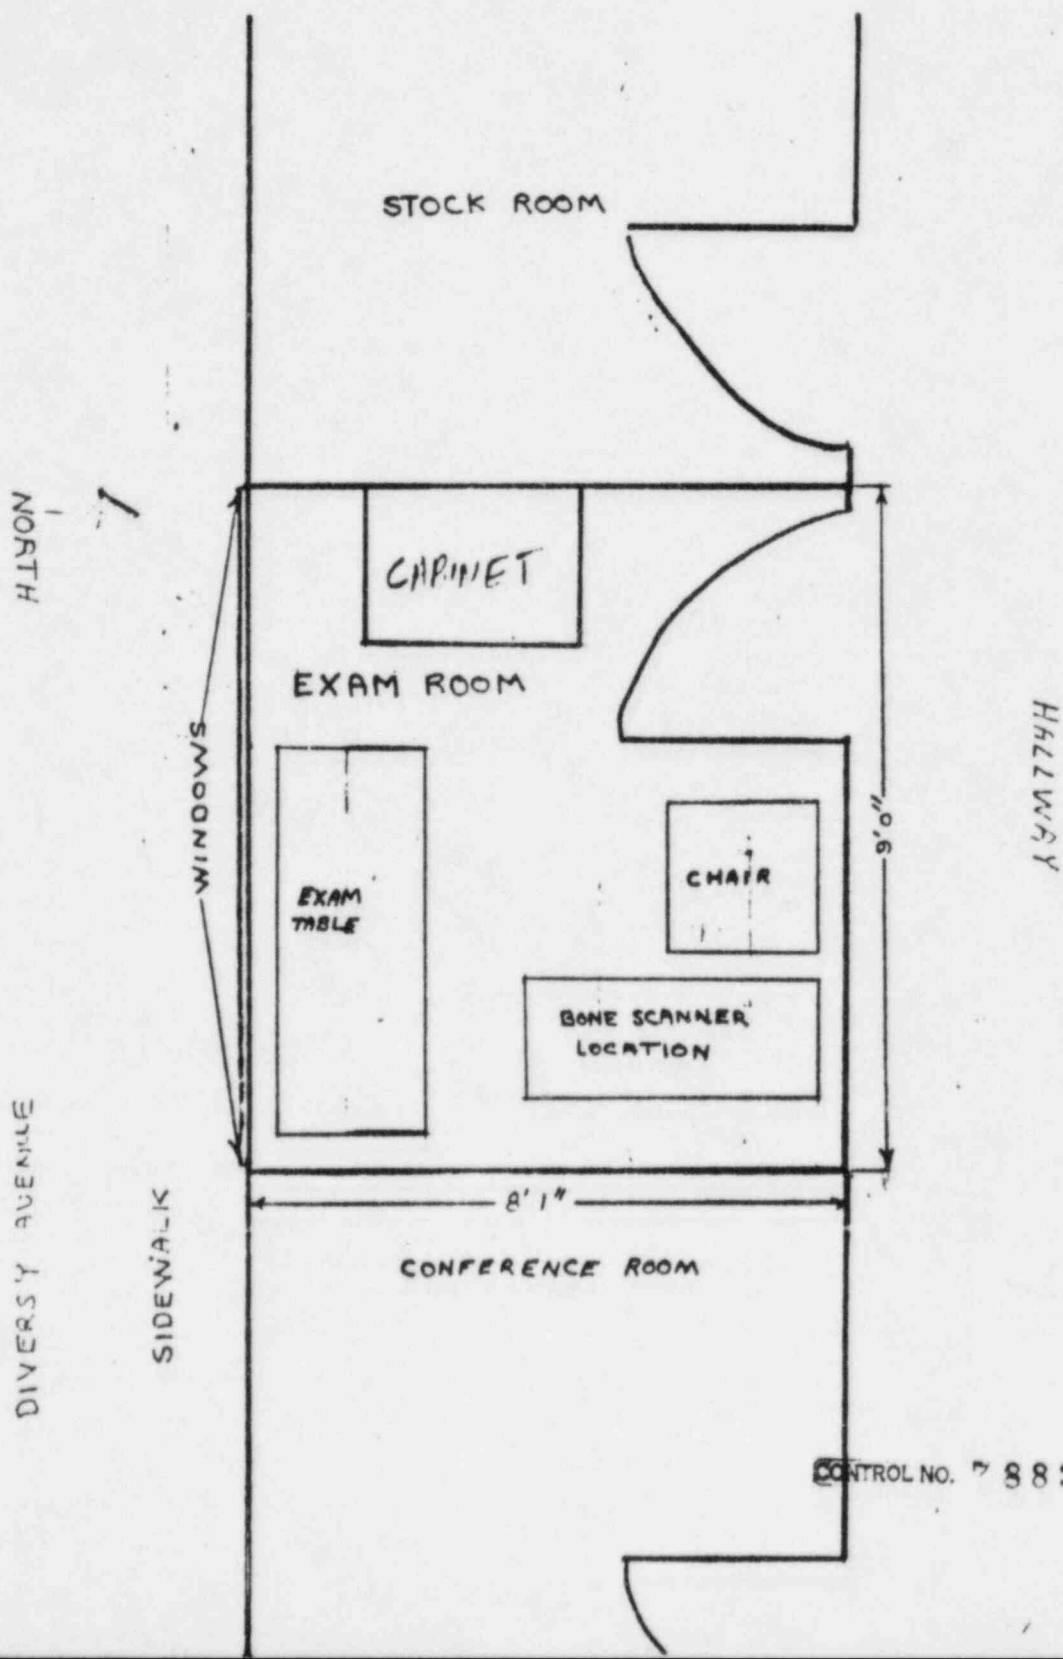

Gordon R. Lang, M.D.  
Chairman of the Board
