Re: Amendment to License
Condition #12

Gentlemen:

We are requesting the following amendment be made to our license under Condition #12. Please add Mr. Dennis Brown as a certified operator. Mr. Brown's Training Certificate is attached. Also, enclosed is our check for \$60.00 for the amendment fee.

Since Mr. Brown received his certificate four (4) years ago, he is being retrained by the Radiation Protection Officer so he understands the proper safety requirements of radiation and operation of the instrument.

If you have any questions or require any additional information pertaining to this matter, please do not hesitate to contact me.

Very truly yours,

TRUMBULL CORPORATION
