Gentlemen:

The additional information provided in your letter dated August 23, 1985 relative to Nonconformance A of the NRC Inspection Report number 99900510/84-02 has been reviewed. This reply has been found to be responsive to the request for additional material in our letter dated July 25, 1985. The implementation of your corrective actions will be reviewed during a future inspection to verify that full compliance has been achieved and is being maintained.

Sincerely,
