Re: License Number 34-19264-01

230-17238

Gentlemen:

We presently have a license, #3419264-01, which permits us to own and operate Troxler Models 3401, 3401B, 3411 or 3411B portable moisture/density gauges.

We would like to amend this license and add two (2) additional operators. The two additional operators are Charles Smith and William Gessel. These gentlemen are attending a Nuclear Gauge and Radiation Safety Training Course conducted by Troxler Electronics, in Parkersburg, West Virginia, April 30, and May 1, 1980.

If you have any questions, please feel free to contact me.

Very truly yours,

DANIS INDUSTRIES CORPORATION
