

## Office Memorandum • UNITED STATES GOVERNMENT

TO : W. B. McCool  
Office of the Secretary

DATE: MAR 26 1958

FROM : *H. L. Price*  
H. L. Price, Director  
Division of Licensing and Regulation

SUBJECT: REQUEST FOR CIRCULATION OF INFORMATION ON DISPOSAL OF RADIOACTIVE  
WASTE AT SEA - DOCKET NO. 27-7

SYMBOL: DLR:LRR

Attached are letters from the Department of Fish and Game, State of California, and YANKEE, INCORPORATED, for circulation to the Commissioners, General Manager, Deputy General Manager, Office of General Counsel, Division of Licensing and Regulation and Division of Inspection, with a Commission Note substantially as follows:

Attached are letters from the Department of Fish and Game, State of California, and YANKEE, INCORPORATED, Dublin, New Hampshire, objecting to the proposed issuance of a Byproduct Material License to Isotopes Specialties Company, Inc., Burbank, California, to dispose of radioactive waste in the Pacific Ocean in 1000 fathoms of water. (Published in the Federal Register, Docket No. 27-7 dated Saturday, March 8, 1958).

We will contact both parties to determine if these letters represent petitions for intervention in this case. After we have established the interest and intent of these two parties, we will inform the Commission as to further proposed action.
