Glen Ellyn, Illinois 60137

Gentlemen:

This is a request by the AMAX Lead Company of Missouri for an amendment to our AEC license No. 24-12212-01. It is requested that the following additions be included in Sections 6, 7, 8 and 9 respectively:

Item 6 to include:

G. Cs 137

Item 7 to include:

G. Sealed Sources (Texas Nuclear Corporation)

Item 8 to include:

G. No single source to exceed 100 mCi

Item 9 to include:

G. to be used in Texas Nuclear Corporation Model 5201 source holder for density measurement.

An amendment fee of \$60.00 has been included with this request.

Sincerely,

David Heitman
Process Engineer
