SUMMARY

Called to determine intent, i.e. does licensee still desire to be added to MediQ Mobile Services License? (15-24485-01). We have not received any requests from the mobile nuclear service to date.

Request from Medque was rec'd. 7/3/85 wfa

According to Mr Cornelius, the hospital does desire to be added to the mob. nuc. license. It was his understanding that MediQ Mob. Ser. was to have sent request.

I advised Mr Cornelius that if we don't receive request within 30 days that we would have to void request and that he could reapply when MediQ sends in their request

ACTION REQUIRED

Spoke with Kay Robert at 8:14am of MediQ Mob. Services (913) 451-6431 → they will send license within approximately 2 weeks
