Dear Dr. Snyder:

Operating License No. DPR-73
Docket No. 50-320
Relocation of Missile Shields

Attached for your review and approval is a Safety Evaluation Report (SER) for relocating the R2 and R4 missile shields from the B D-ring to the A D-ring. Movement of the missile shields is required to allow access into the B D-ring for ex-vessel fuel characterization. The SER concludes that the proposed relocation can be accomplished without undue risk to the health and safety of the public.

Per the requirements of 10 CFR 170, an application fee of \$150.00 is enclosed.

Sincerely,

F. R. Standerfer
