OFFICE OF INSPECTION AND ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Met Lab, Incorporated, Hampton, Virginia
License No. 45-09963-1

Subject: FURTHER ACTION ON SHOW CAUSE ORDER AND ORDER MODIFYING LICENSE

By SECY 85-132 the staff requested that the Commissioners approve issuance of an Order to Show Cause Why License Should Not Be Revoked for Met Lab, Incorporated. By memorandum dated May 9, 1985 the Commission approved the staff's request and an Order to show cause why License No. 45-09963-01 should not be revoked was issued on May 15, 1985.

After careful consideration, it has been determined that adequate cause has been shown why Met Lab's license should not be revoked subject to an Order Modifying License. This decision is based upon the determination that Met Lab has made improvements in its program to comply with license requirements, and that the specific plans and commitments, including the performance of audits by an independent consultant, are adequate to enable Met Lab to conduct future activities in compliance with Commission requirements.

The State of Virginia will be notified.
