Gentlemen:

By letter to the Board dated October 4, 1985, Applicants transmitted to the Board and the parties copies of the text of the emergency public information/education materials for the Vogtle plume exposure pathway Emergency Planning Zone ("EPZ"), including the map of the EPZ which will appear in the brochure.

Applicants indicated in the October 4 letter that only Joint Intervenor and the members of the Board were then being served with color copies of the map. Applicants explained that, due to color reproduction difficulties, other parties were being served with black and white copies of the map, with
