Re: Amendment Request of License #12-05435-01

Gentlemen:

We ask that this radioactive material license be amended to include a new authorized user, Ki Eun Chung, M.D., of the Radiation Therapy Department, for uses of Groups IV, V, and VI.

Attached is a copy of St. Francis Hospital license #12-00963-02 indicating Dr. Chung's previous authorization for these groups in support of this request. Also enclosed is a check for \$120.00 to cover the amendment fee required by Part 170 of 10CFR.

If you have any questions, please let us know.

Sincerely,

Stasia J. Frank
