Dear Mr. Whitten:

We hereby request the approval of Dan Mitchell, M.D., David Russell, M.D., and Fred Long, M.D. as the approved users of byproduct materials, and Dan Mitchell, M.D. as the approved Radiation Safety Officer of Newman Memorial Hospital (NRC license number 35-16717-01).

The above physicians are currently approved users of radioactive materials at Bass Memorial Baptist Hospital, Enid, Oklahoma (NCR license number 35-13821-02) and St. Mary's Hospital, Enid, Oklahoma (NCR license number 35-17087-01). They have been in these positions for several years and are current in Nuclear Medicine procedures. These physicians have been approved for staff privileges at our hospital. In addition, the Radiation Safety Committee has reviewed Dr. Dan Mitchell's credentials and approved his appointment as the Radiation Safety Officer.

At this time, we are in a state of transition from Bolene and Associates, Stillwater, Oklahoma and the above physicians, with Springs Radiology, Enid, Oklahoma. We would appreciate your immediate attention and approval of this request.

Sincerely,

Ronald K. Rooney,
Administrator
