Dear Bill:

You recently requested permission for Argonne National Laboratory (ANL) personnel to visit the Kerr-McGee Coal Corporation mine at Galatia, IL. I have made arrangements with Mr. Peter B. Lilly, General Manager, for the following ANL personnel to visit the Galatia mine:

- Mr. Steve Tsai - Project Leader
- Mr. Jeff Schubert - Geologist
- Mr. Vern Travorrow - Design Engineer

The visit is scheduled for Friday, October 18, 1985. The ANL people should report to the main entrance and ask for Mr. Lilly. I have set 8:30 a.m. to start the meeting.

Should there be any questions, please call me at (405) 270-3817. I will be at Galatia with Mr. Lilly for the ANL visit.

Sincerely,

*J. L. Denny*
