THRU: James J. Smith, M.D., Director of Nuclear Medicine, V.A. Central Office

SUBJ: License No. 43-03299-01

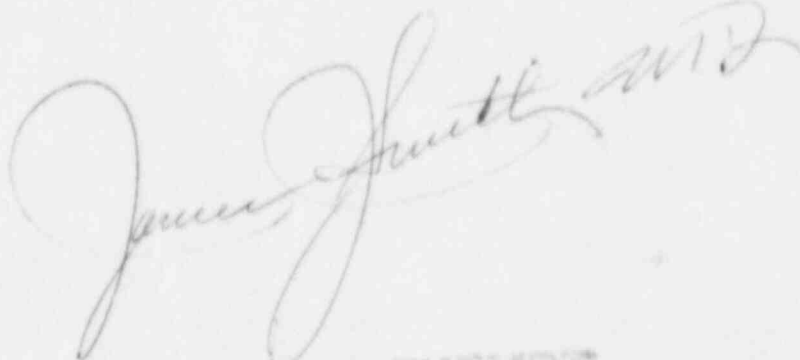

Dear Sir:

Please amend our license as described in the attached pages. We are requesting a general license for rooms 202A and 202F in Building 2 of this Medical Center. We also request an amendment to remove those same two rooms from our broad license.

Sincerely,

R. E. LINDSEY, Jr.
Medical Center Director
