Attention: Isotopes Branch,
Division of Materials Licensing

Gentlemen:

Enclosed are two completed copies of Form AEC-313 "Application for Byproduct Material License". This is a renewal application for our original License No. 35-13351-02.

We believe that this renewal application, when used in conjunction with our original application and its attachments, gives the complete and detailed information specified by the instructions in Form AEC-313. However, should there be any additional questions or information desired, please do not hesitate to contact the undersigned or Glenn Cunningham, (918) 585-2261, Williams Brothers Engineering Company, 321 South Boston, Tulsa, Oklahoma 74103.

We will appreciate hearing from you at your earliest convenience.

Yours very truly,

WILLIAMS BROTHERS ENGINEERING COMPANY
