Dear Mr. Sheehan:

This is in response to your letter dated March 26, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), a copy of the successful proposal and contract awarded in response to Request for Proposal No. RS-ORM-84-389 entitled "Requirements Analysis, Design, Development and Implementation of an Integrated Management System."

The NRC routinely makes publicly available copies of all contracts in the NRC Public Document Room (PDR), 1717 H Street, NW, Washington, DC. A copy of the contract you requested is in PDR contracts file number NRC-33-85-318.

In a telephone conversation between David Meyer and you on April 4, 1985, you agreed to accept a nonproprietary version of the successful proposal. The proposal you requested, as described on the enclosed appendix, is now available for public inspection and copying at the PDR in file FOIA-85-224 under your name.

Also enclosed is a copy of a notice that explains the procedures and charges for obtaining records from the PDR.
