Gentlemen:

Enclosed is Amendment No. 01 to NRC License Number 12-00722-14 in accordance with your request.

Please note that the wording for License Conditions 10., 12. and 14. is somewhat different from that which was requested in your letter dated May 16, 1985. However, per telephone discussions with Ms. Patricia Elker, we have modified the conditions so that they are consistent with those in License Number 12-00722-13.

Please also note that Condition 17. has been added to your license. This condition was inadvertently omitted in the initial license.

In view of these changes, please review your license carefully to assure that you understand and are in compliance with the terms and conditions contained therein. If you have questions, please contact our office by dialing (312) 790-5625.

Sincerely,

Original Signed By
