Gentlemen:

Due to our ever-expanding program of supplying quality nuclear medicine procedures, we feel it is necessary to increase our possession limit and would, therefore, like to amend our NRC materials license #24-17680-02 to increase our possession limit for byproduct materials listed in Group III of Schedule A. Section 35.100 of 10 CFR 35 to 4 curies.

Enclosed is our \$120 amendment fee. Your prompt consideration in this matter will be appreciated.

Sincerely,

  
Gordon H. Butler
