Docket No. 030-12143
License No. 25-13173-02
Control No. 60391

Gentlemen:

This concerns your application for amendment to your byproduct material license dated August 30, 1984, and our letter dated November 16, 1984, in which we notified you that the application was deficient and that certain additional information was required.

You are hereby notified that unless within 30 days from the date of this notice we receive the additional information requested, we will consider your application as having been abandoned by you. This action is without prejudice to the resubmission of an application.

Sincerely,

Original Signed By
R. J. Everett

R. J. Everett, Chief
Nuclear Materials Safety Section
