Dear Mr. Felton:

In reference to my previous letters of July 3, 1984 and August 7, 1984 and your responses of July 30, 1984, August 21, 1984 and August 31, 1984, I am writing to request, under the Freedom of Information Act, any further communication with NRC concerning ownership or change of ownership of Psychiatric Diagnostics Laboratories of America, Inc., of Summit, New Jersey, from any of the principal owners, controllers, operators, representatives or other interested parties, and responses from NRC, since my last communication with your office.

In addition, I am requesting the identical information, sought in my earlier communications with your office, for National Psychopharmacology Laboratory, Inc., (NPL) of Knoxville, Tennessee - any records, communications, applications, etc., which identify the owners, past or present.
